Recipe For A Healthy Branch

By Nancy Street

On July 9, I will be facilitating the strategy session, “Recipe for A Healthy Branch.” The theme is based on an article of that title in the most recent AAUW-CA California Perspective. The session is set up as a workshop using the Institute of Cultural Affairs’ Technology of Participation Workshop Method, in which I have been trained and have used in my career. The method is team-driven and participatory. This session is the next step toward revitalizing our branch.

It is a structured experience with 5 key steps:

- Context – Setting the stage
- Brainstorm – Generating new ideas
- Organize – Forming new relationships
- Name – Discerning the consensus
- Reflect – Confirming the resolve

Hope to see you at 9:00 AM on Saturday, July 9, at the Sutter Creek Community Center.

The Technology of Participation Workshop Method is used when a group wants to:

- Generate creativity and new energy in a short amount of time
- Infuse the team with a sense of responsibility
- Catalyze integrated thinking (rational and intuitive)
- Build practical team consensus

President's Message

Dear Members,

Thank you for your support of our new Board of Directors, named in the Annual Meeting Minutes below and as voted in at our Annual Meeting on June 11. We are all humbled and honored to hold a position on the Board and we will work to make this year productive so that, moving forward, we have an engaged and dynamic membership.

As many of you will note, Rebecca Wilson stepped up to take on two Elected Board positions, plus continue to produce our monthly newsletter. As you might imagine, the weight of all three responsibilities became rather formidable. As of July 1, Rebecca opted to step down from her role as Treasurer and, per our By-Laws, the Board of Directors has voted to elect Bonnie Krupp as the Branch's new Treasurer. Bonnie responded to the energetic vibe at our Annual Meeting and was generous enough to offer to become Treasurer. Bonnie brings a wealth of experience with AAUW; she served as President in the South Lake Tahoe Branch and has acted in various Board positions in both the South Lake Tahoe Branch and our Branch. We are

thrilled to welcome Bonnie to the Board. She will bring experience, verve and creativity to her new position.

By now, you should have received a 'Save the Date' notice and invitation to a membership-wide, half-day Planning Workshop, on July 9. This is your opportunity to have a voice in determining our short and long-term strategy as an organization. Additional details are included on page 2.

Summer is officially here and, as we move into vacation mode, I entreat each of you, as you relax into the season, to daydream a little. Think about how you see our AAUW Amador Branch in the next 2-5 years. I hope that you envision the Branch, engaged in advocacy for mission-aligned projects, bringing awareness to our community and making a meaningful contribution to the wellbeing of women and girls of all ages in Amador County.

Stay Cool and Safe and Most Importantly – Have Fun!

*Warmly,
Santee Bowman*

Home Tour 2017 Is Shaping Up!

With all the exciting changes being proposed for Amador AAUW 2016-17, it seems that one thing will remain for another year — Our 45th Annual Home Tour. With the outstanding work of Bobbie Brubaker, Home Finder, we're locking in some fine homes in Sutter Creek. A couple of them are homes we've had our eyes on for over forty years. And because she loves Sutter Creek, AAUW, Old Homes, and Scholarships, Sandi Baracco has signed on to be chair. It's her second time as chair, the last time was for the 10th Annual.

Of course, we're counting on all of you to help make this the most successful tour since its start in 1972. We have several committee positions to fill, we're hopeful of pairing some members that have done their job for years with members who want to intern. Just a little bit of volunteer time from each of you makes for success!

Call Sandi e-mail at BaraccoArchitect@comcast.net and let me know how you want to volunteer.

Tech Trek 2016

By Gretchen Carlson

I had the pleasure of visiting Fresno Tech Trek on the first full day of camp. It was fun seeing our Tech Trekers, Carissa Lowe, Cherrise Carney, and Hailey Kirkbride participating in camp activities. Our past TT'er and three time camp junior counselor Samantha Fisher gave me a tour of camp. All of the girls were engaged and seemed to be having a good time. The photos show the girls learning about aerodynamics by making and shooting off straw rockets, learning to program computers, and learning about chemical reactions by comparing what happens when different substances are added to soda. I had a nice visit with the camp nurse, Josie, and got to thinking that since I will be retiring soon, I might just apply to be Fresno TT camp nurse next year!
