Home Tour Chair

Needed

The annual Home Tour is our primary source of revenue to run the branch and to fund our scholarships, both for Tech Trek and for college. We are desperately seeking one or two of our members to step up and chair the 2020 Home Tour. Without this event, this year will be the last one where we can offer any scholarships.

Yes, it is a lot of work, but that work is spread out among the entire committee so it is a very do-able job. Please step up and help sustain our branch and its activities!

Explore AAUW National Website

Did you know that, as an AAUW member, you can easily create a login for our National AAUW website?

Here is what you do. Go to <https://www.aauw.org/>, go to the "ribbon" at the top of the page and click on **Login**. Click on the blue button **Create Account** in the lower part of the next page. Put in your name and other requested information and click on the green button **Register**. Very easy, just follow the prompts. Please give it a try! You can access a roster of our branch, print yourself a membership card, find the leadership list and much more. Explore!

There is a HUGE treasure trove of information on advancing women's rights which are being researched, funded and lobbied by AAUW with the funds they get from us. Please consider when paying your annual dues and/or making additional contributions that it is being spent to raise up women in our society and we *all* benefit.

If you have any questions, please ask anyone on the leadership team of our branch for further clarification.
