## Home Tour Chair *STILL* Needed

The annual Home Tour is our primary source of revenue to run the branch and to fund our scholarships, both for Tech Trek and for college. We are desperately seeking one or two of our members to step up and chair the 2020 Home Tour. Without this event, this year will be the last one where we can offer any scholarships.

Yes, it is a lot of work, but that work is spread out among the entire committee so it is a very do-able job. Please step up and help sustain our branch and its activities!
