Dear AAUW Amador Branch Members-

We have had three Planning Forums so far and have four left in the first week of March. If you have not attended one of these forums, please try to make it to one of the four remaining sessions: The question we are asking is "How can we play a more effective role in the community and the lives of our members?"

For those of you who are not able to attend one of these sessions, please feel free to email or call Stephanie directly to offer your ideas.
