November Program Meeting Moved! Now IN PERSON on Saturday, November 13 at 1pm

We have made a change in our November program about the Amador County Redistricting Process. The meeting will be held IN PERSON rather than on Zoom and will be held at in the Jackson View Clubhouse: 108 Nicolas Court, Jackson (where we had the September meeting).

Andy Byrne will be our guest speaker and will have several maps to show us as well as discussing the actions and discussions to date. The process is nearing an end, with the Supervisors making a final decision in early December. I hope you can all make it—this is an important topic.

Redistricting is happening around the country, as new district lines need to be redrawn based on the 2020 Census information. The next time this process will occur will be in 2031, so we will be living with the results for 10 years.

We feel that a weekend daytime meeting has a better chance of more of our members being able to attend since many don't drive at night. If any of you need a ride, please contact Stephanie Young who will arrange for you to get to the meeting in Jackson.
